

Creative Graduates Creative Futures

Appendix 1: Eligible course titles

Creative Graduates Creative Futures is a major longitudinal study undertaken between 2008 and 2010 of the early career patterns of more than 3,500 graduates in practice-based art, design, crafts and media subjects, qualifying in 2002, 2003 and 2004 from 26 UK higher education institutions.

For further details see www.creativegraduates.com.
